JULY 1ST TO AUGUST 16TH

**JULY 1ST 5TH
THE MIGHTY JUNGLE**

We are gearing up for a safari adventure to learn about exotic animals such as the lion, tiger, and gorilla. We will explore different places in the world where these animals live.

**JULY 8TH 12TH
MAD SCIENTIST**

Put on your lab coat and be amazed at the science experiments we have in store. We will learn to make different substances like slime and homemade ice cream! Kids can experiment and make discoveries every day!

**JULY 15TH 19TH
THE ART OF THE BRICKS**

It's Lego week! We will incorporate Legos into our Language, Math and Art areas in the classroom. Have fun building, creating and dreaming with the colorful bricks we all love!

**COMPASS MONTESSORI
SUMMER PROGRAM 2019**

**JULY 22ND 26TH
DINOROAR!**

The Dinosaurs are coming! We are spending the week becoming paleontologists and learning about the massive creatures that once roamed the Earth!

**JULY 29TH AUG. 2ND
UNDER THE SEA**

Wet and wild fun will be during our ocean discovery week. Learn about plants and animals that live in the sea and get ready your hands wet!

**AUG. 5TH 9TH
THE LITTLE PICASSOS**

Calling all mini artist! Let your artistic side flourish in this creative week filled with different artistic mediums and projects. Learn about famous artist that shaped what art means today! This is sure to be a hands on creative experience!

**AUG. 12TH 16TH
THE INFINITY AND BEYOND!**

Grab your space suit and get ready to explore the universe! During this week students will learn about the incredible planets and stars around us!
